Grace Hopper 2010
Pre-Survey

Please complete this survey RIGHT NOW while you wait to be checked in to the hotel. Please tear off the second sheet of the survey before handing it in—it contains your survey number. DO NOT LOSE THIS NUMBER. You will need it to complete the post-survey you will receive after the conference is over. You might want to write your name on this sheet in case you misplace it or get it confused with your roommate’s survey number.

1. Circle your current year in school:
   - Freshman
   - Sophomore
   - Junior
   - Senior

2. Freshman only: What section of CS are you currently taking:
   - CS 5 Gold
   - CS 5 Black
   - CS 5 Green
   - CS 42

3. Have you declared or definitely decided on a major (even if not yet declared)
   - Yes
   - No

4. What is your major OR What are you currently thinking of majoring in? If you have not yet declared, please circle all areas that you are considering:
   - Biology
   - Chemistry
   - Joint Chem-Bio
   - Computer Science
   - Joint Math-CS
   - Math
   - Joint Math-Bio
   - Engineering
   - Physics
   - Other
   - No Clue

5. [Undeclared majors only] At this point, how interested are you in taking another CS class at HMC (1=Extremely Uninterested, 4=Neutral, 7=Extremely Interested)
   - 1
   - 2
   - 3
   - 4
   - 5
   - 6
   - 7
   - N/A (already a major)

6. [Undeclared majors only] At this point, how interested are you in majoring in CS or CS/Math (1=Extremely Uninterested, 4=Neutral, 7=Extremely Interested)
   - 1
   - 2
   - 3
   - 4
   - 5
   - 6
   - 7
   - N/A (already a major)
Please tell us the primary reason why you decided to come to the Grace Hopper Celebration of Women in Computing. You may also list any secondary reasons, and/or what you hope to get out of attending the conference.
Grace Hopper 2010
Post-Survey

Please circle the degree to which you agree or disagree with the following statements (1=strongly disagree, 4=neutral, 7=strongly agree)

1. Attending the Grace Hopper Conference (GHC) gave me a better understanding of the field of computer science.
   
   1  2  3  4  5  6  7

2. Attending GHC changed my perception of the culture of computer science.
   
   1  2  3  4  5  6  7

3. Attending GHC strengthened or increased my network of friends at the Claremont Colleges.
   
   1  2  3  4  5  6  7

4. I met new people from other institutions (outside Claremont) at GHC.
   
   1  2  3  4  5  6  7

5. I plan to keep in touch with someone (not from Claremont) that I met at GHC.
   
   1  2  3  4  5  6  7

6. Attending the GHC increased my desire to take another computer science class (e.g., CS60)
   
   1  2  3  4  5  6  7

7. Attending the GHC increased my desire to major in computer science (either alone or as part of a joint major, e.g., joint CS and math).
   
   1  2  3  4  5  6  7

8. Attending GHC was a positive experience.
   
   1  2  3  4  5  6  7

9. Given the opportunity, I would attend GHC again.
   
   1  2  3  4  5  6  7

10. I would recommend that other first-year students attend GHC.
    
    1  2  3  4  5  6  7

PLEASE TURN OVER…
11. Please provide a short statement (a few sentences) to elaborate on your answers above. Feel free to address any or all of the following:
   How did attending the GHC impact you?
   How did it change your perception of computer science, if at all?
   How did it change your interest in the CS major, if at all?
   Would you attend the conference again?
   Would you recommend that other women Mudd students attend the conference? Why or why not?

12. What was the most meaningful aspect of the Grace Hopper conference for you and what impact this aspect have on you?
